

NEW HORIZON COLLEGE OF ENGINEERING

Autonomous College Permanently Affiliated to VTU, Approved by AICTE & UGC
Accredited by NAAC with 'A' Grade. Accredited by NBA

DEPARTMENT OF MECHANICAL ENGINEERING

Expert Lecture on Gas turbine Design and Higher studies avenues at Cranfield University

Date: 20-09-2018

Speaker: Dr. Suresh Sampath, Director, Gas Turbine Systems & Operations, Centre for Propulsion, Cranfield University

Department of Mechanical Engineering had organized an Expert lecture on "Gas turbine Design and Higher studies avenues at Cranfield University " on 20th September 2018 for the final year students as part of expert lecture series. The speaker Dr. Suresh Sampath, Director, Gas Turbine Systems & Operations, Centre for Propulsion, Cranfield University had delivered talk which included challenges in Gas turbine design, numerical analysis of gas turbine design etc. He gave a broad idea and opportunities available at Cranfield University in core mechanical engineering domains.
