He has 10 years of experience as the HOD of Automobile at Hindustan Electronics Academy from 2006 – 2016. He was a certified Trainer for Volkswagen group from 2011-2015 at Hindustan Electronics Academy. After that, sir taught the basics and trending concepts like different engines, valve timing diagrams, turbochargers and superchargers, etc in nearly 2.5 hours.

All of the above-mentioned topics were clearly explained to us in an interesting way with the help of presentations. He also spoke about the industry expectations for upcoming engineers. The session was an interactive one where we were asked questions by P. Rajendran sir relevant to the various topics that he covered.

After his presentation concluded, we were given the chance to ask him our questions on the topics that were covered and also regarding the upcoming developments and requirements in the industry.
