

A REPORT ON ALUMNI GUEST TALK HELD ON 19th February 2020

Department of Mechanical Engineering hosted a Alumni Guest talk dated on 19th February 2020 in Falconry Seminar Hall, NHCE.

Mr. Shivanagouda Patil, Technical Lead Engineer, HCL Technologies, Bangalore. Who has completed his Masters in Computer Integrated Manufacturing (2013 batch) from New Horizon College of Engineering and now as an Alumni of NHCE Gave a guest talk on “TIPS FOR INTERVIEW”

In the discussion, Mr. Patil gave us the difference between Resume and CV and shown few sample of the same. Discussed on the content to be there in the resume and their priorities, types of interview conducted, how to prepare for the interview, expected question that are supposed to be prepared, Do’s and Don’ts and many more.

Totally, the session was very informative and interactive and as budding engineers, it was a very important topic to be known by all pre final year students as we are about to face campus placement.

Furthermore, we would like to thank our beloved Dr. M S Ganesh Prasad, Dean, Professor & HoD – ME, for conducting such kind of event and we request the department to conduct many more such kind of informative guest talk / Lecture.
