

DEPARTMENT OF MECHANICAL ENGINEERING
Academic Year: 2022-23
REPORT ABOUT GUEST TALK CONDUCTED ON
16 AUGUST 2023

Date: 16th August 2023

Day : Wednesday

On August 16, 2023 Mechanical department of NHCE conducted a guest lecture by **P Rajendran, HoD Automobile, Nandi Vishwavidyala Toyota, Bangalore**. The 4th semester mechanical students and some of the 6th semester students attended the session. Nandi Toyota is a platform for engineering students where they provide training-come-internship programme that includes hands-on experience on engines and more. The session started at 10:30am with the National Anthem. Sir Rajendran gave us a brief information about the programme and said about it's uses. He also showed the reviews of happy customers in which some were NHCE graduates and students. Sir also showed us motivating videos enhancing 'Green energy' and more. The session ended at 11:30 with a small QnA session where students asked their queries which were answered by sir. Students found it interested and many of them enrolled for the programme.
